## CLEOPATRA PROGRAM

Firstly, enjoy a few minutes sitting in a sauna or a steam room for warming up and opening your skin pores. Now you are ready to receive skin enriching and peeling with fresh coconut grains and sea salt, or honey (you can choose other products). You will get a facial mask from the vitamin mineral mud mask. Also, you will receive hand and foot peeling with sea salt. After a warm shower of an orange shampoo, you will get a full body massage from your feet to your head with oil. At the end, you can get a relaxing time in Jacuzzi.
